

DANCE FOR HEALTH

Help raise money for health education in Nicaragua

Baobab Village
(next to Little Baobab)

@19th & Mission

featuring

DJ Elimbe

Saturday
10pm - 1:45am **Apr. 10**

\$5 before 11pm / \$10 after

all profits from the door will go to the program

Nicaragua is the 2nd poorest country in the Western Hemisphere. Our program provides supplies and training to community health workers in 21 communities in the San Ramon municipality to lower preventable deaths and disability, and improve quality of life. So come dance, drink, and make merry -- ALL profits from the door will go directly to the program.
